

# MARIO KART INVINCIBILITY STAR PATTERN

**Needles:** 6 x DPN, 3.25mm.

**Yarn:** Palette Collection, Plain DK in Yellow (approx.2 balls), Black and White.

The Star measures approx 30cm x 30cm.

It is worked from the points into the centre and gives a swirly pattern in the middle.

For a star worked centre to points and with straight lines coming from the centre, please see [star pattern](#) instead.

## **To make the first star:**

Make 5 star points in yellow yarn:

Row 1: Cast on 2 stitches

Row 2: K2

Row 3: P1, inc1, p1

Row 4: K1, inc1, K2

Row 5: P1, inc1, P3

Continue knitting even rows and purling odd rows, adding 1 stitch on each row until 30 stitches (inc1 after the first stitch to make it neater). Cut off yarn and start the next point on a separate needle until you have 5 star points.

# MARIO KART INVINCIBILITY STAR PATTERN

Take one of the star points, starting on the opposite side of the cut off yarn end, knit all but the last stitch, transfer the last stitch on to the next star point (opposite side of the cut off yarn), \*knit the first 2 stitches on the next star point together, knit all but the last stitch, transfer the last stitch on to the next star point. Repeat from \* until there are about 4/5 stitches on each needle. Cut yarn and thread through live stitches, pulling tight, weave in ends.

## **To make the eyes:**

Row 1: Cast on 2 in black yarn  
Row 2: K3  
Row 3: K1, Inc1, K2  
Row 4, 5, 6, 7, 8, 9: K4  
Row 10&12: K1, with white k1, with black k2  
Row 11&13: with black K2, with white k1, with black k1  
Row 14: with black, K4  
Row 15: K1, K2tog, K1  
Row 16: bind off and sew onto first star.

## **To make the second star:**

Follow instructions for first star, all the way to threading through live stitches, but DO NOT PULL TIGHT, instead sew the two stars together at the edges.

Once it's sewn up all around the edges (tightly) fill with beans. I used a funnel to make it easy since the gap left is pretty small and polystyrene beans are evasive!!!! Once filled, pull loose thread through live stitches very tightly and weave in loose ends!
